NOCA Pvt. Ltd. India

India has excelled worldwide as one of the leading producer country and organic farming is crucial in this progress. One of the renowned names in organic certification is Natural Organic Certification Agro (NOCA) Pvt. Ltd.

formerly known as Natural Organic Certification Association.

NOCA helps establish and develop a competent inspection and certification system in organic farming, food and fiber.

It operates under ISO Guide 65:1996, General Requirements for Bodies operating product certification systems and

accredited by APEDA for carrying out the inspections and certifications according to USDA-NOP, NSOP

(National Standards for Organic Production - India) which has gained equivalence with EC Commission

Regulation 834/2007 and Swiss Ordinance on Organic Farming. It is also accredited by NABCB for ISO Guide

65:1996, General Requirements for Bodies operating product certification systems.

As a member of prestigious national and international organizations working in the filed of promotion of organic and sustainable agriculture such as IFOAM, EOCC, OFAI, OASI, ICCOA and MOFF, NOCA offers a global perspective. A joint venture

with Bioagricert Italy offers diversified certification. Extensively experienced, nationally and internationally trained, dynamic

staff is the highlight. Competent quality system and organic integrity is ensured under ISO Guide 65.

NOCA has subcontracted laboratories for testing

products; these laboratories are accredited by

ISO/IEC 17025: 2005 General requirements for the

testing and calibration laboratories. Focus is on rendering best services cost effectively to

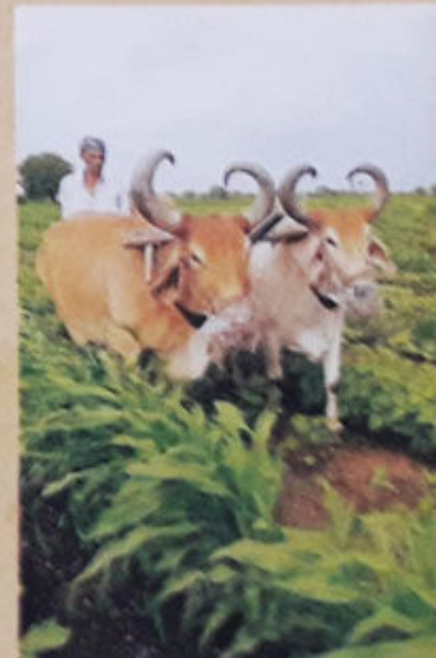

individual farmers, organized grower groups, corporate farms, input manufacturers, food processors, wild collection,

suppliers and traders in India as per NPOP, NOP, EC, JAS, COR (Canada Organic

Biosuisse, Naturland, Aquaculture, Global GAP, Opera Aqua

Opera Aqua Eco-Social, Natural Detergent, Natural Cosmetics, Bio

Cosmetics and AGMARK.
